We are trying to recall funds as we speak.
Hope to have the funds into us today, and then we can send wire to you
asap.

I know this has become aged, we have been working on this every day to
track the monies down, which we now have.
We will hopefully have the monies available to wire to you within a day
or two.

Do you have the details of the wire? What bank it was sent to? Was there an account number on it?

Julie/Janice,

Right now I agree with you that 1 wire was sent to USB in the amount of \$505,936.13 (this was to reverse a wire sent to us in error).

Additionally, we sent another wire to UMB as per an earlier email from Edgewood.

The instructions we sent them to are:

UMB Bank, N.A

ABA# 101000695

Edgewood Growth Fund

DDA# 9870523965

Julie - pls confirm that you want us to recall that wire, and instead send the funds to USB (as per instructions from Janice).

Any questions, please do not hesitate to contact us.

Thank you,

Carmine

Hi Carmine,

I check with our wire room. They only see the wire going out and the wire coming in. We still need another wire to come in for the 505,936.13. We do not see that fed ref #. Please verify it was sent to U.S.Bank.

Thank you,
